BLUSH

GASTRO WINE BAR

Blush Wine Bar «Rules of Life»

- We are keen to keep the price as low as possible and, yes, we have a minimum margin on wine. In order to keep these prices we don't keep extra staff. There may be minimal delays in orders from waiters during a full booking in a restaurant – we do apologize.
- That is why we have self-service in the wardrobe.
- We have a special loyalty program for our guests. To use it, all you need to do is fill in the blushwine.ru form in the Blush Bonus section. Further on, when paying the invoice, just give the waiter your phone number for bonus accrual or write-off.
- At reserve the table is assigned to the guest. If after 20 minutes after the time specified at the time of booking, the guest hasn't arrived without any warning, the table goes to other guests, no offense. In any case, we will do everything possible to locate you.
- We are here to make you happy, not to look important. If you do not eat something specific or want to replace the ingredient in the dish, we will meet your requirements with pleasure. And we'll not even roll our eyes
- When booking a table of seven persons, the charge of 10% for the service will apply. We will automatically include this amount to your your bill, but if you have reasonable complaints about the quality of service, the amount of tip is at your discretion.
- Smoking is not allowed in our bar – even IQOS or any other substances permitted by law. But you can smoke on the street in a specially designated place. We'll issue a blanket for the street, a blanket is not a problem.
- When closing a restaurant for events of any kind, we are ready to retreat from the current menu and, as far as possible, bring your wishes to the kitchen and drinks to life.
- If your fun spoils the mood of other guests, then, unfortunately, on this day we close the bar for you.
- We open no more than ten bottles of wine a day. You can order any bottle in excess of ten only from section with an icon (🍷), provided that you order at least two glasses.
- And yes, the waiter can give you a compliment to your young appearance by asking for your passport as we don't sell alcohol and tobacco products to persons under 18 years of age
