WINE&BAR

Представляем нашу новую карту включающую в себя лучшие вина мира по особым ценам. Все вина из этой карты вы можете попробовать по бокалу за одним исключением — из линейки Grand Cru мы открываем не больше одной бутылки. На некоторые вина из данного предложения не распространяются привилегии от Prime Zone и Tinkoff Cashback. (Уточняйте у вашего официанта.)

The new wine list presents the best wines at special prices. All the wines in this list are available by glass. With one exception. From the Grand Cru line we open no more than one bottle at a time. Some of the wines from this offer are not covered by the privileges from Prime Zone and Tinkoff Cashback. (Check with your waiter.)
